Group ideas

Take turns sharing your ideas while clustering similar or related notes as you go. Once all
sticky notes have been grouped, give each cluster a sentence-like label. If a cluster is
bigger than six sticky notes, try and see if you can break it up into smaller sub-groups.

⌚ 20 minutes

TIP

Don't rush to label. Give a sticky
note a sentence-like label.
Remember, you can always
change your mind. Don't
be too hard on your team.

Step-3: Idea Prioritization

4

Prioritize

Your team should all be on the same page about what's important moving forward. Place your ideas on this grid to determine which ideas are important and which are feasible.

20 minutes

TIP

Participants can use the cursors to point at where more ideas go on the grid. The facilitator can clarify the spot by using the laser pointer holding the **H** key on the keyboard.
